JDS Video & Media Productions, Inc.

Our Award winning Full Service Video Production Multimedia Solutions Company can take your business to the next level. Offering a wide range of media solutions: Video, DVD, DVD-ROM, CD-Rom, Corporate Web Packages, Internet Streaming and Storage, Graphic Design, Animation, E-Mail Blasts, Website Design/Implementation and CD/DVD - Duplication/Packaging.

Providing business solutions for:

Marketing • Advertising • Training
Internal/External Corporate Communications
Tradeshows • Sales and Client Services

From concept to delivery or anything in-between.

A Corporate/Business Video has the power to explain, clarify, train, educate, persuade, and show your product or service in the best way possible. People in today's world remember more when things are seen and not just explained. Since a picture is worth a thousand words, just imagine what you can communicate within a video presentation or training tape. With JDS Video & Media Productions, your corporate vision will become a lasting reality.

JDS TV

VIDEO EVERYTHING.

Video Content On Demand
Watch It - Use It - Experience It

A revolutionary new concept in the ever-changing world of business, Streaming Media is the wave of the future. Today's marketplace never sleeps - neither should your communications. JDS TV utilizes cutting edge technologies to bring all your communications online making them accessible 24 hours a day, 7 days a week.
